

STR CLEANING CREW

Property Care Subscription Proposal

CLEAN. STYLED. SEAMLESS.

Prepared: {{date}}

Prepared for: {{client_name}}

Property: {{property_name_and_size}}

Thank you for considering STR Cleaning Crew. We are not a cleaning vendor — we are a property caretaking partner. Every visit combines cleaning, inspection, documentation, restocking, and proactive issue detection, designed to protect your property, your time, and your peace of mind. This proposal lays out two subscription options for hosts who want predictable pricing, European-level consistency, and a single point of accountability instead of chasing down a cleaner before every check-in.

WHY A SUBSCRIPTION?

- **Locked-in pricing** — No surprise rate hikes mid-year. Your monthly rate stays the same for the duration of your commitment.
- **Bundled services at no extra cost** — Inspection reports, photo documentation, supply monitoring, and restock coordination are included — ad-hoc clients pay separately for these.
- **Discount on extra cleans** — When you exceed your 5 monthly turnovers (busy seasons, back-to-back stays), additional cleans bill at 10% below per-clean rate for Standard subscribers — 15% off for Premium Care.
- **Priority access (Premium Care)** — Same-day scheduling for last-minute bookings and turnovers — critical for hosts running on Airbnb's Instant Book.
- **Single point of contact (Premium Care)** — A dedicated account manager handles your property. They learn your quirks, your standards, and your guests' patterns. No re-training every clean.

WHY UPGRADE TO PREMIUM CARE?

Premium Care is built for hosts who run their STR as a business — multiple properties, high occupancy, or guests with high expectations. The added monthly fee buys you priority access, dedicated coordination, flexible cancellation, and the time you save by not handling vendors and last-minute scheduling yourself.

- ★ **Priority scheduling** — Last-minute booking comes in for tomorrow's check-in? We move our schedule for you. Standard tier is first-come, first-served.
- ★ **Vendor coordination** — Drain clog? Wobbly toilet? Burned-out bulbs we can't replace? We line up a plumber, electrician, or handyman and coordinate access. You don't take the call.
- ★ **Dedicated account manager** — One person who knows your property, your standards, your guests, your patterns. Texts you with issues before they hit your inbox.
- ★ **Staging & styling check** — Before each guest arrives, we verify pillows, throws, décor, welcome amenities, and the overall 'first impression.' Your 5-star reviews depend on this.
- ★ **Flexible cancellation** — Standard tier charges a \$100 late-cancellation fee for cancellations under 24 hours. Premium Care subscribers can cancel or reschedule with as little as 12 hours notice — no fee.

HOW CLEANING DEPTH SCALES WITH STAY LENGTH

Cleanings reset each month — they do not stack to the next month. Each month starts fresh on the 1st. Unused cleanings don't carry forward.

We adjust the depth of each cleaning based on how long guests stayed, because the longer guests stay, the more things get touched, moved, and used:

- **Stays under 1 week** — Standard turnover cleaning — this is what the subscription is designed for, and where it works best.
- **Stays 7–14 days** — More thorough cleaning at turnover — additional attention to high-use areas, soft surfaces, and detail spots.
- **Stays 14+ days** — Deep cleaning at turnover — appliance interiors, behind / under accessible furniture, descaling, and detail work.
- **Monthly stays (28+ days)** — Full deep clean of all areas + property reset to baseline. The property is returned to its 'first day' standard.

Why this matters: STR cleaning works best as preventive maintenance — the cleanest properties are the ones where guest stays are under a week, because less time means less wear. Our subscription is built to keep your property in consistent shape; we scale the cleaning depth so that even after longer stays, your home is returned to a fresh baseline.

We protect your property, your time, and your peace of mind.
